Non-IEM Member: RM 60

SYNOPSIS

There have been several changes, deletion and new sections in the Uniform Building By-Law 2021 amendments. This session will highlight some of these key changes in the Part VII and VIII, which M&E Engineers should be aware of.

ABOUT THE SPEAKER

Ir. Loo Chee Kin is an active member in the Institution of Engineers Malaysia (IEM). He is the current Chairman of Fire Advisor Board (FAB) as well as past Chairman and Advisor of IEM Mechanical Technical Division (METD) and committee member various other IEM committees. For his contribution and work in disaster management to the ASEAN Federation of Engineering Organizations (AFEO), he was conferred an Honorary Member of AFEO in 2020.

He is a Senior Consultant with TÜV SÜD Global Risk Consultants (GRC) and before that he was a Senior Engineering Specialist with FM Global for some 12 years. He has more than 25 years engineering experience, from design to field work. He graduated from UMIST, Manchester, UK with a B.Eng in Electromechanical Systems Engineering and a Diploma in Electromechanical Systems Engineering from Kota Bharu Polytechnic in Kelantan, Malaysia. He is a P.Eng in Mechanical and Electrical Engineering and a Member of IEM. He is a Member of IMechE and IEE, and registered C.Eng.

The book *Guide to Fire Protection in Malaysia (Third Edition)* will be available for sale before or after this talk. IEM member can purchase at a member only price of RM 150.
With a book purchase, IEM members will get complimentary access to this talk.

Organized By: Fire Advisory Board (FAB), PPC IEM
